The image is a digital rendering of a tropical garden scene. In the foreground, a woman with long brown hair, wearing a white bikini, is sitting on a dark-colored lounge chair, looking towards the left. The garden is filled with various tropical plants, including large banana leaves, ferns, and other lush greenery. A stone wall made of irregular, light-colored stones runs along the right side of the garden. In the background, there are more trees and a large, light-colored rock. The scene is bathed in warm, golden light, suggesting a sunset or sunrise. In the top right corner, the text 'santamar by TAO Mexico' is displayed in a blue, serif font.

PENTHOUSE MASTER PLAN

The background of the entire page is a solid dark blue. Overlaid on this are numerous white, thin, wavy lines that flow across the frame. On the left side, there is a prominent set of concentric, roughly circular lines, resembling a ripple in water or a topographical contour. From this area, several long, sweeping, parallel lines extend towards the right side of the image, creating a sense of movement and depth. The lines vary in density and curvature, adding a complex, organic texture to the design.
