

TRASH AND RECYCLE INSTRUCTIONS

We are responsible for separating out our trash before throwing into containers supplied

1. BOTTLES AND CANS /TINS...etc. No plastic bags and cardboard in this container/bin.
2. PAPER AND CARDBOARD. Paper towels, diapers, cotton buds etc, no bottles or cans
3. ORGANIC. Food, fruit vegetable scraps meat coffee grounds, empty out. No plastic bags!! Large boxes,cardboard etc needs to be flattened and left in a pile at back of trash room Not in small kiosks.

No 1 First bin or container

GLASS and CANS.

This should be very easy for everyone. Only put glass or cans, bottle tops etc in this bin or container. Not in a plastic bag, not in a cardboard container, such as beer comes in, I just empty out my bottles etc from the plastic bag or box and put my plastic bag /box in the 2nd bin marketed plastic or cardboard, very simple.

No 2 2nd bin or container

PAPER AND PLASTICS

All products that contain paper or/and plastics. This includes diapers, paper towels ,cotton buds and any paper or cardboard

LARGE boxes and containers should be broken down or flattened and put in a pile at the back of the units.. Also large boxes really need to go into the larger trash units, not the little green kiosks.

No 3 3rd bin or container

ORGANICS

This is your food stuffs only, Coffee grounds, Fruit, vegetable scraps, peelings, Plants flowers etc. Do not throw the food scraps in the container along with the plastic bag or box.
